# Edmunds Cocktails

Edmunds focuses on skilfully selecting and blending flavours to perfection so you can shake, stir, serve and garnish with confidence. They supply everything you need to produce a world-class cocktail in your own kitchen/yurt/campervan – all you need is a glass, ice and maybe the odd splash of soda water. Their ethical, family-run business supplies cocktails direct to customers via a well-stocked web shop, as well as to prestigious bars and restaurants in Suffolk and beyond.

“We want to leave the planet in a better place than when we started and that’s why we’ve taken steps to ensure we’re a climate-positive business. From our fully recyclable packaging to our partnership with Ecologi, we’re constantly looking at innovative ways to become more sustainable.”

# Union Coffee

Union Coffee are pioneers in two things, which they have relentless focus on, roasting and ethical sourcing. They re-won The Queen's Award for Sustainable Enterprise in 2022; were winners of the Best Coffee Roaster in the European Coffee Awards with Allegra 2022; won the Most Ethical Brand in the European Coffee Awards with Allegra 2022; and became a B-Corp certified business in 2022.

'Working so closely with a natural product, we feel a conscious duty to protect Mother Nature in every way possible. Therefore, as our brand progresses, our environmental impact will be at the forefront of our agenda. We know everyone defines sustainability differently, so, as a result, we are committed to initiating conversations about what sustainability means to you, your company and how we can support these values. We actively promote environmental awareness among our employees, clients and venues striving to make positive steps to continually improve our sustainable practices.'
