

Every aspect of the venue and the staff we dealt with, in particular our wedding events manager was just fantastic. The venue itself made an enormous impact on each and every one of our guests and the friendliness of staff and the quality of the catering helped make the day perfect!

Ewan & Hannah, March 2011

The RSA is a beautiful venue for a wedding. The staff are exceptional and helped make the day run smoothly, the quality of the food was fantastic and all of our guests had a great time. Having sole use of the venue for the whole day was a huge selling point for us, and the approved suppliers that we used were all excellent. We would happily recommend the RSA for anyone wanting to get married in London.

Martin & Katherine, February 2011

We had a winter wedding at The RSA in December 2010 - and it was a near perfect day. The venue is amazing, the staff friendly and extremely professional, and the food delicious. We wouldn't hesitate to recommend The RSA to other couples.

Stuart & Pauline, December 2010

We had a truly wonderful day at the RSA. The staff were very helpful and efficient both in the run up to the wedding and on the day itself, nothing was a problem. The venue looked stunning on the day and the food was fantastic - so many people commented that it was the nicest food they had ever had at a wedding. Thank you RSA House for helping to make our special day extra special.

Elliott & Christina, November 2010

Having read the other testimonials for the RSA, we had extremely high expectations for our wedding day. These were surpassed in every way. The staff are amazingly professional in everything they do and seem proud to go that extra mile to make us happy. We have demanding parents and friends and without exception they were all stunned by the brilliance of the day and how wonderful the whole venue was. My wife said she felt like a princess. Getting married at the RSA was the best decision we could have made. The whole day was flawless.
