FAQ’S

We understand that things feel a little uncertain right now, however you can feel confident that our incredible team here at RSA House will deliver a safe and secure day so you can enjoy your special day with your closest family and friends.

The venue is following the government guidelines on how to work safely during Covid-19, we have put all procedures in place to safely open the venue. The safety of our staff and guests is our top priority. Please see our helpful [document](#) and [video](#) which outline some of the measures we have put in place to ensure it is safe for our guests and staff. Prior to your wedding at RSA House, we will send a pre-wedding guide full of information on what to expect on the day of the wedding.

We are using the term 'physical distancing' as opposed to 'social distancing' because our business is built on social interactions.

All individuals involved in the ceremony (including attendees, guests and officiants) should be signposted to the current stay alert and social distancing guidance and that they or members of their household should not attend the marriage or civil partnership if they are unwell with symptoms of COVID-19. If either member of the couple have symptoms of COVID-19 the ceremony should not go ahead.

See full COVID-19: Guidance for small marriages and civil partnerships [here](#).
FAQ’S

Can I have music?

Yes, we have inbuilt speakers in both licensed spaces. It is recommended that you provide a playlist for entrance, signing of registrar and exit music. People should avoid singing, shouting, raising voices and/or playing music at a volume that makes normal conversation difficult or that may encourage shouting. This is because of the potential for increased risk of transmission from aerosol and droplets.

How many people can I have at my wedding ceremony?

Up to 15 people, but no more, can attend a marriage or civil partnership, where this can be safely accommodated with social distancing in a COVID-19 venue. This maximum number includes all those at the ceremony, including the couple, witnesses, and guests. Anyone working is not included as part of the limit on attendees. Where an infant is involved in proceedings a parent/guardian or member of the infant’s household should hold the infant.

Am I able to have a musical instrument at the ceremony?

You are advised only to play musical instruments that are not blown into. Organs can be played for a ceremony, as well as general maintenance, but should be cleaned thoroughly before and after use.
“Together we can show the world that eternal love is not a myth.”
