Many of our ambassadors take on the role to diversify and deepen their connections to fellow changemakers, to engage in dialogues and discussions at the forefront of social change, or help foster connections across silos and existing networks. If you have a vision for supporting a topic within the RSA community, we'd love to work with you!

If you're interested in the role and would like to learn more, please reach out to set-up a time to chat to see if it is a good fit.
